WORK EXPERIENCE

Center for Earth Observation and Modeling

Norman, Oklahoma

Software Developer Intern

Sep 2022 - Present

- Utilized Python, JavaScript, HTML/CSS, Django, and the Google Maps API to develop new mapping features for the CEOM website to display collected data for users.
- Proactively engaged in comprehensive research and self-directed learning to effectively address and excel in various tasks, demonstrating a strong commitment to continuous personal and professional development.
- Monitored website performance and implemented immediate restarts during outages to ensure an uninterrupted user experience, showcasing problem-solving, and proactive management skills.

Sportshouse Development

Oklahoma City, Oklahoma

Office Assistant

Sep 2020 - Jul 2023

- Welcomed clients, verified membership, collected, payments, and assisted in addressing any immediate inquiries or concerns, contributing to a positive and efficient customer experience.
- Meticulously organized and updated player records, ensuring accurate and comprehensive documentation of their class progress and attendance.
- Diligently tracked incoming payments and cross-referenced them with corresponding records. Verified the accuracy of payment information and swiftly addressed any discrepancies, ensuring financial accuracy.

Gallogly College of Engineering

Norman, Oklahoma

Dean's Leadership Council Mentor

Aug 2022 - Dec 2022

- Led weekly group discussions on topics such as time management and study skills.
- Collaborated with fellow mentors and staff to provide a comprehensive resource guide for mentees and delivered presentations on topics, such as college resources and goal setting.

Mustang Public Library

Mustang, Oklahoma

Library Clerk

Nov 2020 - Jul 2021

- Provided guidance to patrons, aiding them in the creation of accounts, utilization of library technology, and proficient navigation of the library's catalog system, enhancing their overall library experience.
- Assisted with the intake and organization of new inventory, efficiently processing and shelving materials to ensure easy accessibility for library users. Facilitated seamless book check-in and check-out procedures for patrons, contributing to the effective circulation of library resources and a smooth borrowing process.
